ZEP AIR FAIR STRAWBERRY™ Ready-to-Use Malodor Counteractant

DESCRIPTION

An environmentally friendly, water-based deodorant that contains a concentrated, highly effective blend of odor neutralizing and masking agents, which impart a nice, strawberry fragrance to the treated area.

FEATURES

- Convenient
- Concentrated
- Long-Lasting Action
- Environmentally Preferred
- All Purpose
- Highly Effective
- Deodorant Boosters

BENEFITS

- Ready-to-use. No dilution required. No waste. No spillage. Comes with trigger sprayer for handling ease.
- Just a small quantity provides effective odor control.
- Keeps working, often several days or more in certain applications.
- This product is part of the Zep Green Link line. It is non-corrosive, and contains no phosphates or carcinogens.
- Eliminates odor from stale cigarettes and cigar smoke, body wastes, food spillage, garbage, cooked foods, perspiration, pets, and fire damage.
- Chemically deactivates source of many malodors to provide positive long-term odor control.
- An ounce or two added in mop bucket or carpet shampooer solution tank will impart a pleasant fragrance to the area being cleaned.

*Note: Do not spray on or allow contact with plastic surfaces such as dashboards, door panels, or instrument lenses as damage may occur. DO NOT add to rinse wax, sealer wax, or drying agent.

APPLICATIONS

Dispensed as a fine mist using the hand sprayer provided.

ZEP AIR FAIR STRAWBERRY™
Ready-to-Use Malodor Counteractant

BEFORE USING THIS PRODUCT, PLEASE READ THIS ENTIRE LABEL.

Zep Air Fair is a powerful odor counteractant that chemically neutralizes the source of malodors and imparts a pleasant, long-lasting fragrance to many areas. Zep Air Fair provides odor control, even with tough odor problems caused by cigars and cigarettes, body wastes, food spills and cooking odors, garbage, pets and zoo animals, and even fire-produced odors, whether poured into cleaning solutions, sprayed or squirted.

DIRECTIONS:

AUTO INTERIORS: Spray approximately one ounce of Zep AIR FAIR STRAWBERRY under front seat of vehicle to provide long-lasting odor control. (DO NOT apply to plastic and upholstery, or spray or pour over entire carpet, since some materials are color sensitive). **SPRAY IN:** Restrooms, lobbies, closets, locker rooms, storage areas, hospital rooms, hotel and motel rooms, air conditioning filters and ducts, elevators, kitchen and dining areas, and meeting rooms. (DO NOT overwet fabric or drapery as some of these may be susceptible to color change or staining.) **SQUIRT IN:** Garbage compactors, disposals and cans, cigarette urns, dirty linens, toilets and urinals, bed pans, cabinets, sink traps, and floor drains. **POUR IN:** One or two ounces into mop bucket rinse water or carpet cleaning solution tanks.

WARNING!

CAUSES EYE IRRITATION

Causes eye irritation. Inhalation of spray mists may cause respiratory tract irritation. DO NOT swallow this product. Avoid direct inhalation of spray mists. Exposure may aggravate existing respiratory disorders.

Zep strongly recommends wearing safety glasses, especially when wearing contact lenses. The use of natural rubber, nitrile, neoprene, or other resistant gloves is strongly recommended. Remove contaminated

clothing promptly and Do Not rewear until thoroughly cleaned. After handling, wash hands thoroughly with soap and water.

FIRST AID:

EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately. **SKIN:** Wash affected skin immediately and thoroughly with soap or mild detergent. Consult a physician if irritation develops.

INHALATION: Move exposed person to fresh air. If irritation persists, get medical attention immediately.

INGESTION: If product is swallowed, DO NOT induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration (breathing) of liquid into the lungs. Get emergency medical attention immediately. **STORAGE:** Store in a cool area away from direct sun-light. Keep container tightly closed at all times when not in use to decrease evaporation of volatile liquids. **DISPOSAL AND/OR SPILL INFORMATION:** If this product is spilled or contaminated and cannot be used, absorb product on an inert absorbent material and send to landfill, or flush material with water to sanitary sewer.

PRECAUCION

AL USUARIO: Si usted no lee inglés, no use este producto hasta que le etiqueta le haya sido explicada ampliamente. (TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you.)
