SIAN SUMMERHAYES

Greeting Cards Wholesale Catalogue

Hello!

I am Sian Summerhayes, an artist and illustrator based in the Cotswolds.
Foremost a painter, my work is inspired by my rural life here in Gloucestershire.
With a focus on beauty, colour, pattern and a simple scene or story, my paintings
and illustrations are an appreciation for nature, the home and rural surroundings.

Beautiful and Decorative Greeting Cards by Artist Sian Summerhayes

My artwork has naturally evolved to greeting cards and I love seeing my
paintings and illustration work in this format. The wholesale range includes my
Art Card Collection and also 2 brand new illustration ranges -
The Little Occasions Collection and The Scandi Folk Collection.
I hope you enjoy them all.
