

Botanical Blossom Pedi Bomb

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Feb 03, 2018 / Rules

SECTION 1: Identification of the substance/mixture and of the company/undertaking

Finished Product Name: Botanical Blossom Pedi Bomb

Company Identification: Kiara Sky Professional Nails Inc.

8700 Swigert Ct. Ste. 109-209
Bakersfield, CA 93311

TEL: 661-393-4800

FAX: 661-393-4801

DATE: March 2019

SECTION 2: Hazards identification

EMERGENCY OVERVIEW:

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the supplier upon request.

POTENTIAL HEALTH EFFECTS:

Eye: Not expected to be irritating to the eye.

Skin: Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to mild and transient.

Inhalation: Not expected to be irritating to the respiratory system. Limited inhalation exposure anticipated for this product form.

Ingestion: Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting, and diarrhea.

SECTION 3: Composition/information on ingredients

The complete ingredient list for the finished product(s) is as follows:

INCI Listing	CAS #
Sodium Bicarbonate	144-55-8
Citric Acid	77-92-9
Fragrance	/
CI 16035	25956-17-6

Botanical Blossom Pedi Bomb

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Feb 03, 2018 / Rules

All components of this product are on the International Cosmetic Ingredient Listing. The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4: First aid measures

- Eye:** Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, consult a physician. If the eye is accidentally scratched with a bath fizzer, consult a physician immediately.
- Skin Problem:** Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, consult a physician.
- Inhalation:** If respiratory irritation occurs, remove individual to fresh air.
- Ingestion:** Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, & 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5: Firefighting measures

- Flash Point & Method:** Not applicable.
- Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.
- Explosion Hazard:** No applicable information has been found.
- Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives.

SECTION 6: Accidental release measures

Procedures for Spill/Leak Clean-up:

- For Household Settings:** No applicable information.
- For Non-Household Settings:** Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc.) to prevent skin contact.

SECTION 7: Handling and storage

Precautions for Safe Handling:

- For Household Settings:** No applicable information has been found.
- For Non-Household Settings:** No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

Conditions for Safe Storage:

- For Household Settings:** Avoid extreme temperatures. Close container after each use.
- For Non-Household Settings:** No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

Other Recommendations: None.

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Feb 03, 2018 / Rules

SECTION 8: Exposure controls/personal protection

For Household Settings: This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots etc.) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9: Physical and chemical properties

Physical state:	Solid	Appearance:	Solid
Odor:	fragrance	Color:	colorant
pH:	6.5-8.0	Boiling Point:	>212°F (100°C)
Flash point:	Not applicable.	Vapor Density:	Not applicable
Solubility in Water:	Soluble.	Specific Gravity:	2.2-2.5 g/ml
% VOC:	Complies with Federal and State regulations for VOC content.		

SECTION 10: Stability and reactivity

Conditions to Avoid: No applicable information has been found.

Other Recommendations: None.

SECTION 11: Toxicological information

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the supplier upon request.

To safeguard the purity of the product and applicator: (1) Always handle and apply in a careful and sanitary manner; (2) Do not share with others; (3) Do not add anything to the bath fizzer; (4) Do not rest the applicator on any surface or use an old applicator in a new case.

Warning: bath cosmetics in a scratched, infected or irritated eye and scratches from bath cosmetic applicators can lead to skin damage and in extreme cases even skin eruptions. If your skin is scratched, infected or irritated, stop using all bath cosmetics and see a dermatologist (skin doctor) immediately.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.
NTP: No IARC: No OSHA: No

SECTION 12: Ecological information

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13: Disposal considerations

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only.
Do not discharge product into natural waters without pre-treatment or adequate dilution.

For Non-Household Settings: Products covered by this MSDS, in their original form, when disposed as waste, are considered non hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331
