Features

- Free from silicones
- Tested to EN374
- AQL 1.5
- Free from latex
- Ambidextrous
- Nitrile formulation conforms to the hand during use
- Beaded cuff
- Manufactured with textured palms and fingertips
- Heavy-weight construction

Benefits

- Silicone free formulation means no finger marks on metal and glass surfaces
- Resistant to a range of chemicals
- Meets medical standards for pinholes
- Suitable for those with latex allergies (Type I sensitisation)
- Ambidextrous fit means you don't have to split a pair to replace a damaged glove
- Nitrile formulation conforms to the hand during use for a more comfortable fit
- Beaded cuff provides extra strength during donning and helps prevent liquid roll back
- Textured palms and fingertips provide improved grip, particularly when working in wet or oily conditions
- Heavy-weight construction is tough, durable and long lasting
