MILANO

## HIGHLIGHTS

### Panarello steamer attachment

Panarello steamer attachment rotates for easy access to froth milk in seconds. It also delivers hot water for tea and other hot drinks.

### Ground coffee

Gaggia's manual machines come with a coffee filter for 1 and 2 cups of ground coffee, and a special filter for ESE (easy serve espresso) pods.

### Descaling alarm

Descaling alarm

Frontal water tank extraction  
Frontal water tank extraction

### Double-walled crema filter

Double-walled pressurised crema filter

### Preheating cycle

Preheating cycle for higher temperature in your cup

### Pre-brewing system

Pre-brewing for even more enjoyment. Thanks to the Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma unfolds even better.

### Boiler temperature gauge

Keeps the water temperature in the boiler under control to always produce a professional result in your cup.
