The best gifts for travelers, according to Ace Hotel employees

Looking for the perfect gift? Fast Company asked employees at trendsetting companies Local Projects, Pattern Beauty, On, and Ace Hotel what products they love right now.

Ace Hotel doesn't just know travel—it knows how to make the experience of being away from home special. So, it would follow that the people who work there would each have a roster of products they use to make sure that wherever they're going, the experience is good. That's why *Fast Company* enlisted folks from all areas of Ace Hotel's operation to share what they consider the best travel gifts.

Koala Eco Natural Pillow & Linen Spray, \$15

I like to bring the comforts of home when I travel. This eucalyptus, peppermint, and rosalina oil-scented spray helps me sleep wherever I am.
