EM

The **EPURE COMP 2023** is the top-of-the-range model offered by the EM brand.

This edition produced in limited quantity is brought to life with a high quality range of factory parts & equipment.

Developed in close collaboration with the competition department of the EM brand, we invite you to ride on the highest-performing and most competitive EM bike.

More powerful, more precision, new ergonomics, new settings... Let's discover new sensations with each turn of the wheel.

This "Black Edition" with a touch of different shades of gray brings out a harmony of refined style, while the anodized parts recall the competition aspect of the bike.
