

# Kitchen Cleaner & Degreaser

## Product Description

An enzyme based no rinse, no slip cleaner formulated to permanently remove grease, and fat from slippery floors using renewable and sustainable ingredients.

## Core Benefits

- Concentrated formula, reducing the cost in use, single use plastic and CO2e
- Immediate grease, fats and organic soil removal
- No Rinse formula reduces labour costs
- Improves friction of surface reduces slips
- pH neutral and safe for all surfaces
- Low aquatic toxicity & readily biodegradable
- Reduces CO2e by up to 85%

## How does it work?

BioHygiene Kitchen Cleaner & Degreaser uses a synergistic blend of technologies to tackle the tough environment found in kitchen environments.

An eco surfactant and plant derived solvent system provides wetting, penetrating, soil cutting and anti-redepositing action to effectively lift and clean inorganic soiling from the kitchen surfaces.

This system works with a tailored enzyme pack which removes grease, fats, oils, starch, and other food spillages quickly removing the risk of slips and falls and removing the source of odours.

## Directions for use

Dilute at 1:100 for use in spray bottles and buckets.  
For use on an oven or hob dilute at 1:50

## Product specification

Contains: fresh fragrance, water softener, ecological multi-surfactant combination, plant derived solvent, specific enzyme pack.

## Environmental

- Local UK Production and supply chain reduces CO2e impact from transport.
- Technologies are renewable and sustainable, sourced from plant extracts, fermentation, microbes and manufacturing by-products reducing CO2e and environmental toxicity.
- Post Consumer Recycled bottles provide a circular life cycle reducing CO2e and removing physical plastic pollution.
- Highly concentrated to reduce plastic, transport and storage costs and environmental impact.
- Readily biodegradable (99% over <28 days).
- 0% manufacturing waste.
- Not tested on animals.
- Excludes all 'watch list' raw materials.

## Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Only for professional users/specialists. Store in original closed containers away from extremes of temperature.
