FAQs

Q: When does the product expire and how long can I keep it on the shelf?

A: See packaging for expiration date.

Q: What is the best way to apply the product?

A: Through tank mix as you would your normal chemistry. Avoid putting it through an atomizer.

Q: Is there an inoculant present in Rhizolizer Duo Seed Treatment for Soybean?

A: No, Rhizolizer Duo Seed Treatment for Soybean does not include a rhizobia inoculant.

Q: What should I do if I exceed the tank mix restrictions?

A: Fresh product would need to be added into the tank mix.
