can make in your life.**

MORPHEUS8 V

Morpheus8V: Morpheus8V reinforces and tightens connective tissue with triple action of electrocoagulation, collagenous tissue contraction, and sub-necrotic bulk heating. With a 24 pin matrix of thin gold-coated microneedles and a treatment depth of 3mm, Morpheus8V delivers targeted and precise energy delivery, achieving surgical-like outcomes without general anaesthesia or downtime associated with excisional interventions.

MORPHEUS8

Morpheus8: This deep fractional RF microneedling treatment is a minimally invasive skin and tissue remodelling technology for face and body contouring through fat remodelling. Similar to the Morpheus8V, it can also be used on the external vaginal area to stimulate collagen reproduction for aesthetic appearance.

FORMA V

FormaV: A comfortable treatment that provides uniform volumetric deep heating for tissue remodeling with real-time temperature control. The versatility of this RF technology to provide customised solutions to improve tissue health.

V TONE

V Tone: VTone is a gentle technology designed to provide electrical muscle stimulation (EMS) and neuromuscular re-education to rehabilitate weak pelvic floor muscles.

TONE

Tone: This external, hands-free EMS applicators used on the abdomen to treat post pregnancy, abdominal separation or purely for muscle toning of the buttocks, arms or thighs.

RECLAIM YOUR SELF-CONFIDENCE

“Yoga positions are no problem now. Finally I can focus on working out and not focus on finding the next bathroom!”

- KELLY | AGE 56

ADDRESS YOUR INDIVIDUAL WELLNESS CONCERNS AND IMPROVE SELF-CONFIDENCE AND QUALITY OF LIFE

- You can now sneeze without crossing your legs
- You can now jump on the trampoline with your kids
- You can now sleep through the night without frequent visits to the bathroom
- No more hidden underwear in your handbag
- No more suffering in silence!

HOW DOES EMPOWER^{RF} WORK?

Empower^{RF} is the most advanced and comprehensive feminine wellness solution available. It uses a combination of synergistic complementary energies including Submucosal fractional radiofrequency, Intravaginal electrical muscle stimulation (EMS) and Bipolar radiofrequency to address common feminine wellness concerns.

WHAT CAN I EXPECT?

Treatments are customised and tailored to meet your specific needs and conditions. All EmpowerRF procedures are performed in a physician's office. With EmpowerRF there is no general anesthesia, large incisions, or the downtime that is associated with excisional interventions. EmpowerRF will help you regain your self-confidence and improve your quality of life.

HOW MANY SESSIONS ARE RECOMMENDED?

Your physician will recommend the ideal combination of sessions to be performed based on your personal condition. Treatment times and frequency will be specifically tailored to obtain the optimal results.

Ask your provider to see if EmpowerRF is right for you.
