

Paddles Bed Head

The Paddles Bed Head is an easy and innovative way to transform your kid's bedroom! With a beautiful felt like appearance and no paint required, the arches (and cheeky spot) come ready to install straight away.

These panels wrap neatly around the bed into the corner of a room, to create a cosy feel for your child. With sound-proofing qualities and made from minimum 50% recycled PET plastic, they are perfect for kids!
