

# PEN + PAPER SAMPLER QUILT INTRO:

The Pen + Paper Sampler quilt is comprised of twenty-five various blocks from six Pen + Paper quilt patterns - Everbloom, Firefly, Folk Blooms, Fresh as a Daisy, Garden Snails, and Oak Moth. All six quilt patterns are available individually or as bundle in digital or hard copy format at [penandpaperpatterns.com](http://penandpaperpatterns.com)

## A FEW ITEMS TO NOTE BEFORE BEGINNING:

- The instruction provided in each quilt pattern that is listed above is necessary for completing the sampler quilt top. There are block diagram pages and assembly instructions in each pattern that you will need to reference while making this quilt.
- The fabric requirements, shown below, for this quilt are an estimate. Due to certain factors, such as the order the pieces are cut in, only an estimate can be given. It is a generous estimate, but if you're concerned with coming up short or are using directional prints, I recommend adding a 1/4 to 1/2 yard to each cut.
- Cutting instructions for the sashing and border pieces are on Page 3.
- Quilt top assembly instructions are on Pages 4 - 8.
