

# MINI FPP SPARROWS BLOCK:

PRINT THIS PAGE AT 100% OR "DO NOT SCALE". ONE COPY OF THIS PAGE WILL MAKE ONE SPARROWS BLOCK.

1. Print the paper piecing pattern at 100% or "Do Not Scale" and cut out 1/8" - 1/4" past the outer edge of the pattern.

2. Adjust the stitch length on your sewing machine to 1.4 - 1.6.

3. Starting with Section 1, place the Section 1 fabric right side facing up, centered on the wrong side of pattern.

4. Place the Section 2 fabric on top of Section 1 fabric, RST. Hold up the pattern and fabrics to a light source to ensure everything is lined up properly.

5. Sew along the line between Sections 1 and 2. Fold back the paper along stitched line and trim 1/4" away from the folded edge.

6. Repeat with remaining the numbered sections, if applicable. Trim the fabric so it lines up with the outer edge of the pattern.

7. Carefully tear away the paper on the backside of the block.

8. Using a 1/4" seam allowance, sew units A - C, RST, as illustrated.

*The Mini Sparrows Block will measure 3 1/2" x 5 7/8" finished (4" x 6 3/8" unfinished)*
