BASIC Bench Pillow

Please read all instructions carefully AND identify all fabrics before beginning.

All instructions include a 1/4" seam allowance and strips are cut selvage to selvage, unless stated otherwise.

1. Cut the following:

Fabric A (A1 & A2) - Referring to the pillow image, fussy cut strips, the length of fabric parallel to selvage:

Cut (1) 16-1/2" x 38-1/2" multi-stripe border

Cut (1) 16-1/2" strip, subcut

(2) 16-1/2" x 21" rectangles

2. Piecing Order for Pillow:

1. Arrange **Fabric A2** rectangles, right side down, side by side as shown. On inside edges, fold to wrong side 1/2" then 1/2" again. Press flat. Topstitch to finish backing pieces.

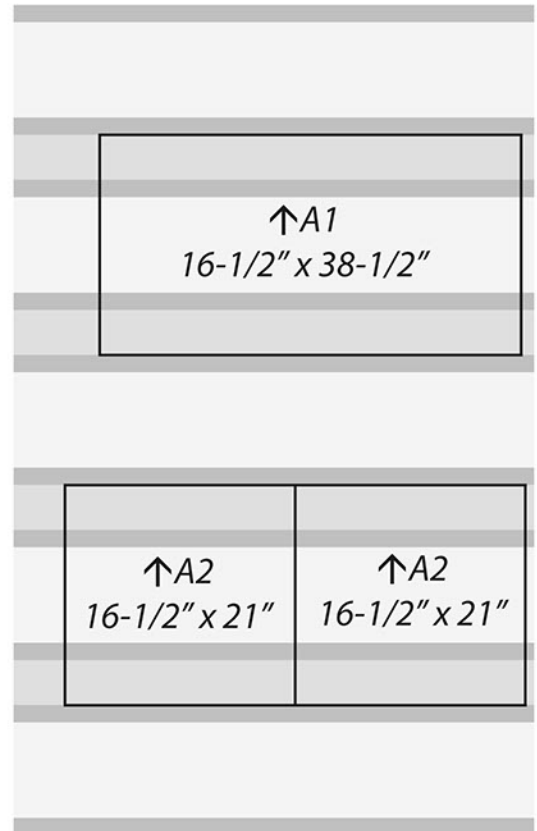

2. Place **Fabric A1** 16-1/2" x 38-1/2" piece right side up on a flat surface. Arrange the **Fabric A2** backing pieces right side down on top, with the raw edges even, and the hemmed edges overlapping.

3. Sew around all edges with 1/4" seam. Sew around edges with an overcast stitch to reduce fraying. Turn pillow right side out. Insert 16" x 38" pillow form and enjoy!!
