Description:

Did you know that the easiest and fastest way to make a ruffle is by using a serger machine? In this class, you will learn to make ruffles and hem them with rolled hems and the beautiful exclusive Wave Stitch from Baby Lock. You will also use your Cover Stitch machine in different ways like gathering and stitching a ribbon. You'll leave class with a very cute, ruffled kitchen towel that later you can decorate with embroidery, applique designs, sayings or whatever you desire to give it your personal touch.
