# Silhouette Studio Software

The classes offered at The Sewing Studio will be using Silhouette Studio Software.

The Silhouette Studio software is used for all Sublimation classes(free edition)
The Business Editon Software is needed for ScanNCut Direct to Vinyl classes. The business edition is $99 on the Silhouette Studio website and on sale for $49.99 on Swingdesign.com. Please be aware that the sale may end at any time.

Software needed for class needs to be downloaded and installed on your computer before coming to class so classes can start on time.

Follow the instructions below:

You will need to create an account – Located on the right
Silhouette Basic Edition https://www.silhouetteamerica.com/ (needed for sublimation classes)
Select software – Get Software – Silhouette Studio - Download – Install

ScanNCut Direct to Vinyl classes will need to install the Silhouette Basic Edition first, then go to https://www.swingdesign.com/ and purchase the Silhouette Studio to Business Edition Upgrade - Instant Code (on sale for $49.99). You will get 3 emails, one has a link included that contains the serial number (copy and paste). Upgrade after installing the Silhouette basic edition software under the Help tab. Paste the serial number.
