

**Class:** Summer Flip Flip Embroidery Applique Handbag Project

**Instructor:** Connie

**Description:** Learn how to convert a PES applique file into a cut file using your SNC DX. You will use your Brother or BabyLock Embroidery machine to stitch out the applique and add the fabric cut from your SNC. Once you have the applique finished, you will create a pocket and sew everything together using a sewing machine. So, go ahead and make use of your SNC, Embroidery and Sewing skills to create something unique and beautiful stylish summer handbag that will be the envy of all your friends.

**You Will Need to Bring:**

3 Round Charger Placemats 14.50-15" I purchased mine from Target, they are the woven-looking ones available at many stores

Embroidery Machine – Brother or Baby Lock Only (Must be familiar with your machine) Must have color editing features

Hoop Size needs to fit the 8.5"x7.5" pocket – I used my large hoop 14"x7 7/8"

Sticky Tearaway Stabilizer to fit the hoop

Wash Away Water Soluble Stabilizer

Embroidery Thread & Bobbin for applique

Fabric for Flip-Flops – 2 colors - Don't precut 6.5"x6.5" each color

Fusible Peel and Stick Stabilizer – 2 pieces Don't precut 6.5"x6.5" – HeatNBond Lite will work also but the Peel and Stick makes it much easier

Friction Pen

Double Sided Basting Tape ¼" or similar size (optional to help keep handles in place as you sew)

Strapping for handles (available at The Sewing Studio) – Approx 2 1/2 yards Depending on how long you want your handles

Sewing thread and bobbin to match bag

Sewing thread and bobbin to match strap

Bobbin and Thread

Rotary Cutter

Sewing/Quilt Clips
