

# THE CHIEFS

---

## Steel Utility Fence Panel

---

The durability and strength of hot dip galvanized tubular steel with sharp spears make The Chiefs panel range ideal for industrial and commercial security applications. Choose from flat top in the shorter panels or rod top in the taller panels for a strong hard wearing panel for walkways and cycle paths.

Available ex-stock in hot dip galvanized (NZS 4680) finish or black powder coated over a hot dipped panel.

## Design Details

---
