Split Tee Clamp	Split Cross Clamp	Adjustable Corner Clamp	3-Hole Pipe Flange
			
Universal Rail Clamp	Universal Post Clamp	Universal Connector	4-Hole Pipe Flange

INTENDED USE

Lynx chain-link fence fittings are designed for the construction of fences conforming to **AS 1725-2003: Chain-link fabric security fences and gates**.

MATERIAL

- All fittings are manufactured from SPHC low carbon mild steel to JIS G 3131:2018. A material intended for general fabrication and deep drawing purposes.
- Expected minimum tensile strength is 270 MPa prior to forming.
- Lynx split fittings are supplied with M10 GR 8.8 galvanised coach bolts and nuts.

FINISH

- All fittings are hot dip galvanised to AS/NZS 4680:2006
- All fastenings hot dip galvanised to AS/NZS 1214:2016
