Technical Specifications

DIMENSIONS	Product Height: 50 cm Product Width: 80 cm Product Depth: 80 cm Product Diameter - Ø: 80, cm
WEIGHT	20.014, kg
PACKAGING TYPE	Brown Box
PACKAGING MEASUREMENTS	H x W x D x x

PRODUCTION PROCESS

Both the base and the mounting plate for the tabletop are made of flame-cut steel, while the column is crafted from extruded aluminum. The tabletops are CNC-milled and available in MDF with linoleum or oak veneer, Kunis Breccia or Estremoz marble, or ceramic. The marble versions are treated with a sealer. As marble is a natural material, each piece is unique, and variations in surface tone may occur compared to the images.
