

SIMPLEPAY CONSIGNOR ACCESS GUIDE

A CONSIGNMENT STORE SOFTWARE GUIDE

SimplePay is the latest feature coming to your consignor access. With SimplePay you, as a consignor can opt in to have your earnings paid directly to your bank account instead of via check or cash. This system will work identically to direct deposits you may receive from a job or social security.

HOW TO SET UP SIMPLEPAY

If your store has set up SimplePay a new option will be added to your sidebar titled "SimplePay" by clicking here you will be prompted to enter some information. The first set of questions will be used to set up your account, SimplePay uses a third party payment processor, so neither your consignment store, nor their software is ever storing any of your bank account information.

Your SimplePay account will now feature the bank account you connected. This will automatically unlock the SimplePay feature for your consignment store the next time they begin the payout process.

A screenshot of the ConsignorAccess web application interface. On the left is a dark sidebar with a navigation menu. The main content area is light blue and displays a message about ACH payouts. A white box highlights a linked bank account: "SANDBOX TEST BANK" with "Edit" and "Unlink" buttons, "Checking Account" with "CHECKING" below it, and a bank building icon. The footer of the main area says "Powered By Traxia".

Once a payment is processed via ach payout it cannot be retracted unless the payment fails, in which case the most common case is that the bank account information entered into SimplePay is incorrect.

SimplePay can also take anywhere from 2-5 business days to appear in your bank account depending on the bank.
