

Alto

A clean plant with easy pick that produces slender bicolor ears with good flavor and tender pericarp, Alto is the first variety in the TripleSweet® product line that is in the first early maturity slot. Ideal for roadside stand growers in the northern U.S. and Canada, Alto is what the market has been waiting for!

FEATURES

- Excellent tip fill and good husk cover
- Slender ear with desirable TripleSweet eating quality
- Excellent stand uniformity in early cold soil
- Only variety of its kind with 72 day maturity

BENEFITS

- Desirable flavor and appearance that creates strong consumer appeal
- Hardy variety that consistently produces in first early plantings
- Earliness to market for increased profit potential
