

Goldprize

Goldprize delivers a very productive, high-quality yield with the advantage of improved yellow color in smaller fruit that consumers demand.

FEATURES

- Produces high-quality, glossy fruit that has smooth skin, uniform shape and an attractive yellow luster
- Open plant structure with green stems
- Productive yield
- Improved disease resistance

BENEFITS

- Smaller no. 1 fruit with improved yellow color for a more desirable consumer product
- Smooth fruit with attractive yellow luster for a high-quality pack
- Intermediate virus resistance to ZYMV and WMV for a longer harvest and improved fruit quality under disease pressure
- Higher yields for better profitability
