

Spineless Supreme

Spineless Supreme produces high gloss fruit with a classic Spineless Beauty appearance and offers the added benefit of an improved disease and virus resistance package for high yield potential.

FEATURES

- Glossy, club-shaped fruit
- Refined flecking produces a rich green fruit color
- Open, erect plant with no spines
- Improved disease and virus resistance package

BENEFITS

- Attractive, high gloss fruit appeals to buyers
- Open plant habit saves time and labor
- Spineless petioles reduce likelihood of fruit damage during harvest
- Resistance package helps keep plant healthy throughout season to maximize yield
