

Tri-X 313

Tri-X 313 is the “original seedless” watermelon variety. It sets the standard for seedless watermelons for quality and consistency, producing a marketable mix even under a variety of growing conditions.

FEATURES

- Sweet, crisp flesh
- Moderate sized vine with good fruit cover
- Blocky shape, fruit average 15 to 18 pounds
- Provides a marketable mix of 45- and 36-count fruit
