

HEALING HOLLOW

ESSENTIAL OIL CO.

Started at the kitchen table in 2006 to 5 retail locations and over 65 Retailers, Healing Hollow has seen the rapid growth in essential oil customers. Men, women, parents, grandparents and pets want natural solutions to health issues or natural options to make their homes smell great. **Always 100% mark up.**

"We have been selling Healing Hollow since 2011 and they're our top selling brand above some big toy names. They practically sell themselves as the word of mouth is something we have never seen before. Not only are they great for the parents coming in to our store but they bring in customers just for Healing Hollow who then return again and again.
