

AROMA-LINK APP OPERATION MANUAL

APP Operations and settings

I. Download Aroma-link

Visit the App Store, Google Play, or Android App Store to download the Aroma-link app.

iOS

Android

II. Register Account

1. Open the Aroma-link app and enter the login interface (as shown in Figure 1).

2. Account registration is required prior to using app. Click the [Register] button (as shown in Figure 1).

3. Fill in your account information and click [Register] once complete (as shown in Figure 2). The app will send an activation email to the registered mailbox.

4. Check your email to finish activating your account and select [Click to activate] in your registration email.

III. Bluetooth Control

1. Click [Bluetooth] (as shown in Figure 4). The app will search for nearby devices. Click on your device to connect. The default password is "1234" (as shown in Figure 5).

2. The control interface is shown below:

- A. On/Off: Click [ON/OFF] to turn machine on or off (as shown in Figure 6).
- B. Fan: Click [Fan] to open or close fan (as shown in Figure 6).
- C. Set: Click [Set] to adjust the working time period and frequency (as shown in Figures 7/8).
