INSTRUCTION MANUAL

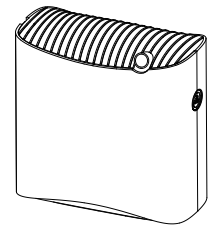

Attached; Warranty Card

Please carefully store the instructions and warranty card for further reference. Please read all instructions before using the device.

ATTENTION

This diffuser is unique for using fragrance oil without adding water. For a better performance of the perfume in the environment, we recommend only using pure essences.

II. Product Features

D1

Voltage: 12V
Power: 4.2W
Capacity: 130ml
Volume: ≤35dba
Weight: 0.65KG
Coverage: 200-300m³
Size: L145*W71*H147mm

E1

Voltage: 3V
Power: 0.6W
Capacity: 130ml
Volume: ≤35dba
Weight: 0.4KG
Coverage: 100-200m³
Size: L145*W71*H147mm

IV. How to Use the Equipment

01. Choose one favorite fragrance oil

02. Unlock device with the key

03. Unscrew the atomizer counterclockwise

04. Refill the fragrance oil bottle

05. Push in the atomizer part to complete installation

06. Plug the power cord into the diffuser

07. Open App to program the working time

08. Enjoy the fragrance

6. System Reset
Press and hold the small black button near the indicator light. Once you hear the buzzer ring 5 times, you can release the button and the device will automatically reset the system.

I. Please adhere to the following basic safety precautions at all times

WARNING: MAY CAUSE ELECTRIC SHOCK OR FIRE HAZARD.

WARNING! WHEN INSTALLING:

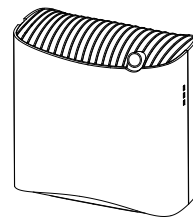

1. Do not use unsafe plug or power.
2. Do not install the device within reach of small children.
3. Do not install the device in an unstable environment that is prone to collapsing.
4. Do not tilt the device.
5. Keep the device away from fire and heat sources.
6. Except for the atomizer, the housing material is not resistant to corrosion.
7. Do not use device in a high temperature or wet environment.
8. Do not use flammable, explosive, corrosive, or other hazardous solvents around the device

WARNING

1. Ensure stability of installation area.
2. Install the device in a ventilated space.
3. Do not block the sprayer when the device is working.
4. Do not spill water or conductive, corrosive liquid on or in the device.
5. Do not operate device all day. Suggested average daily usage time should not exceed 14 hours, and the third level is recommended.
6. Cut off the power in an extreme weather environment.

III. Accessories Included

D1

Atomizer head

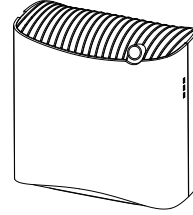

Nozzle

Fragrance oil bottle

E1

Atomizer head

Nozzle

Fragrance oil bottle

Batteries

V. App Operation

This device supports Bluetooth which can be programmed via mobile app.

1. Download Aroma-Link

Enter the App Store, Google Play, or Android App Store and download the Aroma-Link app.

IOS

Android

2. App Connection

Make sure phone's Bluetooth is on. Click on [Bluetooth] to automatically search for nearby devices. Click on the device and use password "1234" to connect.

VI. Troubleshooting

No Scent

1. Check battery or power cable.
2. Check if machine is within working time.
3. Check pump and spray nozzle.
4. Check pump tube and oil tube connection.

Weak Scent:

1. Check if the sealing ring of air outlet tube is damaged or suction pipe is bent or blocked.
2. Check if spray nozzle is loose or needs to be replaced.

Oil Leak:

1. Check if atomizer is damaged.
2. Check if atomizer and oil bottle are securely tightened in place

Unusual Noise:

1. Check if pump is in place and re-install air pump.
2. Check if door is loose or unlocked.
3. Check if pump has low airflow or pressure.

VII. Machine Maintenance

1. For best performance, clean equipment every 2-3 months.
2. Be sure to power off when cleaning and do not use with wet hands or in a wet environment.

VIII. Long-Term Non-Use

1. Power off and secure the power cord.
2. Clean filter components.

IX. Accessories and Spare Parts

- Aroma Diffuser: 1PC
- Adapter/Recharger/USB Cable: 1PC
- Cap: 1PC
- Air Conditioning Tube: 1PC
- Key: 1PC
- Screws: (including plastic expansion tube): 4PC
- Manual: 1PC
- App Manual: 1PC
- Warranty Card: 1PC

X. After-Sales Service

1. Free technical solutions and installation guidance.
2. Free online FAQ resources and scent-marketing advice.
