

BARON

Baron by Calligaris is the perfect table for living areas: it extends to 240 cm! The handy extension system involves pulling out the frame and twisting the concealed extension leaf into place, keeping the table legs at the corners to seat all your guests in maximum comfort: seats up to 10 persons. Watch the video to see how simple it is! This version features a metal frame and toughened glass top. Discover all the combinations, dimensions, finishes and materials available that make Baron tables perfect for all spaces, both big and small!
