CAUSEWAY

Designed for a relaxing environment, the Causeway dining table is handcrafted from Genuine English Reclaimed Timber, paved in a brickwork pattern along its hearty top, with a slightly uneven surface for a more natural and rustic feel. The timber is sourced from old buildings in the UK, up to 100 years old, and has a richly weathered patina in testament to its provenance. The table can be extended with minimum effort by just one person, so you can prepare for extra guests with ease. Seating 6-10 people, it's the perfect podium for convivial dinner parties or big family gatherings.
