

The Copal armchair has an inviting character and a graphical silhouette. The backrest curves gently and continuously into tapering arms — a detail designed to give the feeling of an embrace. The oak legs meet the ground lightly with rounded edges, and bear the craftsman’s mark of the “through wedged tenon” joint.

Design
Rui Alves, 2018

Material

Legs: Solid oak or walnut
Internal frame: Solid pine
Filling: High-density polyurethane foam

Colour

Legs available in 3 finishes:
— light oak
— black oak
— walnut
