

TIBBO

dining table

by *DEDON*

The collection is hand-crafted from premium teak sourced from sustainable plantations. Premium teak offers great weather-resistance and durability even in extreme conditions. Indoors, TIBBO will retain its golden hue. Outdoors, if left untreated, it naturally acquires a silver-grey patina that will, according to the designers, “add another layer of quality to the design.”

TIBBO

Dining table 103 × 338 cm

Design by Edward Barber & Jay Osgerby | Item code: 089045 | Weight 75 kg/166 lbs | Volume 2,6 m³/92 cu ft

Measurements

Collection: Renowned British designers Edward Barber and Jay Osgerby created TIBBO for an era in which indoor and outdoor living spaces are merging. DEDON's first collection in teak, TIBBO combines meticulous craftsmanship, superior comfort and remarkable lightness in a design that's distinctive, elegant and pure. Comprising both dining and lounge elements in a mix of teak, textiles and woven fiber, TIBBO conveys an exceptionally rich and luxurious look and feel.

Dining table: Almost 3.4m/133" in length but still lightweight, the top of this premium teak table is supported by a special construction underneath. The top is rounded on both sides while the ends feature flat edges.

Frame: This table consists of premium teak.

Characteristics: Calmative, elemental, engaging, comfortable, nordic, hand-crafted, lightweight

Frame maintenance: Natural-finish teak maintenance → Wash the teak using warm water and a soft sponge.
