GLOBETREKKER ORBIT

T-GLI-TS-0002-Z

Harking back to the romantic era of long, luxurious voyages by sea, the Globetrekker range is inspired by an original trunk from 1914 that Timothy Oulton discovered at an antiques market. Intrigued by the intricate detailing and beautiful brass plate of the trunk, Tim deconstructed the antique, redesigning it to encompass a full collection of side tables, chests, coffee tables, and bookcases, evolving with a range of different innovative finishes. Globetrekker Orbit evokes an out of this world glamour, with black wooden banding and silver polished hardware. The casing is outfitted in soft Old Saddle Black leather, distressed by hand for a worn vintage look with a contemporary air of elegance.
