

## HAMILTON

round coffee table

*by Dawson & Co*

We have taken inspiration from the extremely hardwearing teak topsides of classic sail and jet boats, their angled edges and the exoskeleton like appearance they give to boats to give shape to the Hamilton collection structure.

HAMILTON exclusively uses plantation teak wood - widely regarded as the best timber for outdoor use due to its longevity as seen in the boat building industry.

### DIMENSIONS (cm's)

110W x 110D x 38H

### AVAILABLE IN

Colours: Natural teak

Materials: natural teak
