HUDSON

The sensorial Hudson collection houses everything you need for a great night in, whatever the occasion. Understated design adds to its stealth, but its rich textured surface cloaked in a patchwork of Fury leather panels, hints at something special within.

The sideboard has pull-out wire racks for your glassware, two drawers and a cupboard with removable shelf, keeping you fully stocked for your guests. The lift-up middle section also reveals an ice bucket inside, so you'll have everything to hand to shake up a storm.
