

MARINE BEAN

The Marine Bean, designed and made in New Zealand from marine-grade Sunbrella® brand fabric is perfect for relaxing on deck, around the pool, out on the lawn or at the beach. Tough enough to stay outdoors year-round, yet smart enough to complement the most elegant interior. The Original Outdoor Beanbag and still the best - this is far and away our most popular outdoor beanbag. Its award-winning New Zealand design is the product of considerable research and development and 10+ years of field testing - much of it involving relaxing in the sun - a tough job, but someone had to do it.

The Marine Bean XL includes a waterproof lining, allowing the Sunbrella® shell to be removed for cleaning, airing or winter storage.

DIMENSIONS (cm's)

100 W x 125 L x 70 H

AVAILABLE FINISHES

Available in a variety of finishes.
