

# ALCHEMY TABLE

by cameron foggo

Alchemy table is stark and austere, with no fuss. The only concession to details is the thoughtful cut-out which, instead of being centered and symmetrical is offset, allowing the width of the legs to follow proportions of the sides, and entertains the eye in a very subtle manner.

## NATADORA

140 travertine

100 carrara bianco

100 pietra grigio

#### CONFIGURATIONS

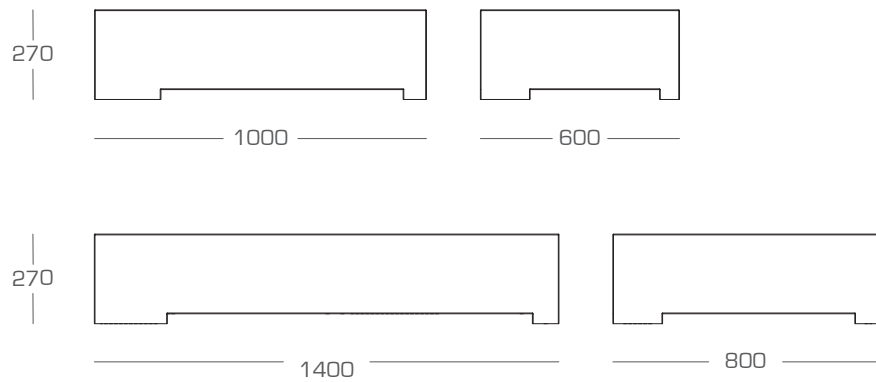

W1000xD600xH270

W1400xD800xH270
