REX

Swirl your senses with Timothy Oulton's Rex collection, a dramatic range of lighting, mirrors and furniture that captures the romance of 1920s Paris. Each unique piece is handcrafted from prismatic baguettes made from optical grade glass, refracting the light in a perpetual dance of shimmer and sparkle.

Strongly directed by Art Deco influences, the Rex collection is evocative of a bygone era, a period of excitement and glamour. Juxtaposing a raw, welded iron frame with the sparkle of crystals, the collection captures the romance of the past but infuses it with a fresh viewpoint for a thoroughly modern take on glamour.
