

TORSA

Slender and lightweight with its sculpted, solid wood base, TORSA showcases its multiple styles: Scandinavian, with solid coloured stone top; Italian, featuring a sophisticated top made of faux marble; and finally, mineral, a monochrome version made of ceramic. Coffee tables, dining tables or bistro tables, Torsa provides the perfect fit. Romantic dinner or festive banquet, its ideal size is suitable for both small and large spaces, outdoors and indoors, private homes and businesses.
