

### TOSCA ARMCHAIR

The Tosca outdoor clubchair is simultaneously warm and inviting, stylish and intriguing. It was the first time TRIBÙ called upon a female designer to draw an outdoor furniture piece and that is evident in the design. Rounded forms, tapered legs and an elegant seating shell in powder-coated stainless steel, upholstered with extra-wide braiding. The material for the braiding is genuinely innovative : foam mousse is encased in a seamless sheath of knitted textile and polyolefine which makes the material weather-resistant, but also surprisingly soft to the touch. The seating comfort is especially pleasant, thanks to the comfortable outdoor cushions. The soft ton-sur-ton colours in linen emphasize the chic character of this luxurious outdoor sofa.
