TRIO

A 1940s fairytale meets 18th century gentry in the whimsical Trio chair. Blending inspiration from the all-time classic character of Dumbo with a traditional slipper chair design, popular in the boudoirs of the 1900s, Trio's distinctive silhouette conjures up the ears and trunk of a baby elephant, sparking childhood memories and bringing a sense of playfulness to the living room or bedroom.

The tactile exposed wood frame in Ebony Clay finish complements a thick and luxurious cladding of wildly luxurious Yeti sheepskin. An ideal accent chair instilled with a modern and irreverent take on glamour.
