

VIS A VIS CLUB CHAIR

The Vis à vis collection gives wooden outdoor furniture a new dimension. Teak is designer Cazzaniga's favourite outdoor material, it is natural, soft to touch and extremely durable. When he started to design the collection, he thought of a place where people could be outside and communicate with each other in total comfort. Result was a lounge with royal dimensions and an integrated tabletop that is designed in a way that two loungers fit into each other. The collection was soon expanded with a sofa, dining set, rocking chair and club chair. The chairs are upholstered with an airy weave in Canax®, composed of pvc and natural hemp, and have an high seating comfort.
