

TIMEOUT COLLECTION

The two-seater sofa is available in two versions, also with two cushions, with widths of 150 and 180 cm. The burnished painted aluminium structure, which creates a double curvature in the seat crosspiece to soften the edge, is highlighted by the polypropylene rope upholstery. It is a dense weave made entirely by hand, with a motif reminiscent of the Mediterranean tradition of baskets and panniers, which 'warms' the minimalism of the structure. This is a material and colour contrast that makes the Timeout Collection contemporary and timelessly elegant. Refined and almost imperceptible dimensional correspondences give the furniture balance and harmony. The Timeout Collection offers also a coffee table with top in solid teak or lava stone, a pouf and a generously proportioned armchair available with or without armrests, the result of a careful study of ergonomics.
