WALTER — VINCENT VAN DUYSSEN 2020

In design terms, it is at once a nostalgic and an experimental object. A small armchair with a frame made entirely of solid ash, stained as black oak or eucalyptus, where the backrest is all one with the armrests. Designed for a contemporary and convivial setting, the relaxed style of this little armchair is played out on its contrasts: the essential elegance of the frame contrasts with the softness of the seat. Seat and backrest are completed with soft padding upholstered in fabric or leather, chosen from the wide range of the Molteni&C collections.
