

VIVIDMAX

ULTRA

12", 21", 32", 40"
(pictured)

Light bar Specs:

Warranty: 3 Years

Lifespan: 50,000 Hours

Product Part#: 12" (VMU-SR-12-140), 21" (VMU-SR-21-240), 32" (VMU-SR-32-380), 40" (VMU-SR-40-485)

Material: High quality extruded 6063 aluminium & UV treated impact resistant polycarbonate

Water and Dust Resistant: IP67

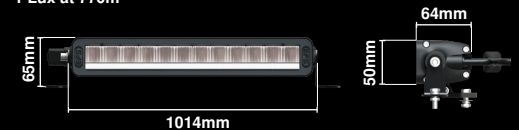

LED Type: Combination of Cree XPP and AFL3 LED chips

Colour Temperature: 5700k - 6500k

Connectors: DT press fit wire connection

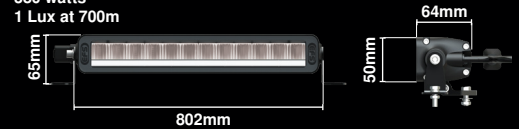

40 Inch Light: (12" pictured for illustration purposes)

Main Led Count: 42
Draw Amps: 40.41 at 12V
Operation Voltage: 12-48V
485 watts
1 Lux at 770m

32 Inch Light: (12" pictured for illustration purposes)

Main Led Count: 33
Draw Amps: 31.66 at 12V
Operation Voltage: 12-36V
380 watts
1 Lux at 700m

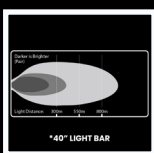

21 Inch Light: (12" pictured for illustration purposes)

Main Led Count: 21
Draw Amps: 20 at 12V
Operation Voltage: 12-48V
240 watts
1 Lux at 575m

12 Inch Light:

Main Led Count: 12
Draw Amps: 11.6 at 12V
Operation Voltage: 12-48V
140 watts
1 Lux at 468m

LIGHT PATTERN:

Carefully crafted to provide exceptional performance

DUAL COLOUR DRL:

Amber/White

LUMENS:

12" - 8000lm
21" - 12900lm
32" - 18000lm
40" - 20000lm

IMPACT TESTED:

Strong IP67 resistant housing and lens to withstand the toughest of conditions
