Dear Beefeater Owner,

Product Safety Repair Action - Beefeater Refrigerator (Beverage Chiller) Model BS28200

Retail sales records indicate that you have purchased a Beefeater Refrigerator (Beverage Chiller) Model BS28200 manufactured between July 2017 to November 2020. Electrolux has issued a Product Safety Repair Action for this product and a copy of the safety notice is enclosed.

Our records indicate you may own this product, please check if your product is affected by noting the model number and serial number. The rating plate is located on the plate inside the right-hand side wall of the fridge. Refrigerators with serial numbers in the following ranges are affected: 72900000 to 95299999 and 00100000 to 04599999. No other Beefeater Fridges are affected.

If you have an affected product, you should immediately turn it off and disconnect it from the electricity supply.

Please contact us as soon as possible, so arrangements can be made for a free of charge repair to your fridge which will completely rectify the issue.

Electrolux's local Customer Care teams are on hand to assist, so please contact us on 01245 890174 between the hours of 0900–1700 to arrange free of charge repair. Alternatively, you can contact us via the following email address beefeater@responddservices.co.uk. Please have your model and serial number details available when contacting us.

We apologise for any inconveniences caused and thank you for your understanding and patience.

Yours sincerely,

BeefEater Europe Service Team
