- Removable shredded memory foam core
- Soft, quilted outer cover
- Covered with 1-year warranty
- Zip-off outer cover
- OEKO-TEX® and CertiPUR-US® certified materials — no off-gassing or toxic substances
- Advanced engineering results in reduced pricing
- Delivers compressed

Dimensions

- 54” x 20”
- Extra-long, body-length pillow
First 24 Hours
Your Panda Body Pillow will arrive compressed in a medium-sized box. Due to the nature of shredded memory foam, your body pillow may take slightly longer to decompress than other memory foam products. Allow your Panda Body Pillow 24-36 hours to fully decompress. Optionally, remove the shredded foam from inside the outer core to facilitate faster decompression.
You can remove, machine-wash, and hang-dry the fabric outer cover of your Panda Body Pillow. Do not machine-wash any memory foam components of your Panda Body Pillow. Spot-clean using gentle, non-toxic cleansers when appropriate.
Your Panda Body Pillow will fit standard body pillow cases.

Warranty
Your Panda Body Pillow covered by a 1-year warranty. This warranty includes one year of zero-cost returns, repairs, or (if necessary) replacements.
The warranty on your Panda Body Pillow becomes void in instances of negligent, improper, or unreasonable use such as:

• Bending, folding, ironing, or cutting the pillow
• Exposing the pillow to damaging cleaning products
• Storing the pillow in direct sunlight or exposing it to moisture
• Cleaning the pillow in a way that does not follow provided instructions
• Placing the pillow too close to a heat source
• Other negligent, improper, or unreasonable actions that damage your pillow

Repair or replacement of the pillow extends, but does not restart, the warranty period.
