Warranty
Your Panda Copper Pillow is covered by a 1-year warranty. This warranty includes one year of zero-cost returns, repairs, or (if necessary) replacements.
The warranty on your Panda Copper Pillow becomes void in instances of negligent, improper, or unreasonable use such as:
• Bending, folding, ironing, or cutting the pillow
• Exposing the pillow to damaging cleaning products
• Storing the pillow in direct sunlight or exposing it to moisture
• Cleaning the pillow in a way that does not follow provided instructions
• Placing the pillow too close to a heat source

Repair or replacement of the pillow extends, but does not restart, the warranty period.
