- Queen: 59” x 79” x 3”
- King: 75” x 73” x 3”
- Cali King: 71” x 83” x 3”

Materials are certified safe
First 24 Hours

Your Panda Double-Quilted Topper will arrive compressed in a medium-sized cardboard mailer. Remove the topper from its packaging, and allow it to decompress over the course of 24 hours.

Optionally, remove the sustainable fabric cover from your topper and machine-wash it on cold. Hang-dry only. If needed, spot-clean the memory foam components of the topper with a safe, non-toxic cleanser.

You can place your Panda Double-Quilted Topper above or below your mattress cover. Pull your fitted sheet snugly over your mattress and topper before use.

Warranty

Your Panda Double-Quilted Topper covered by a 1-year warranty. This warranty includes one year of zero-cost returns, repairs, or (if necessary) replacements.

The warranty on your Panda Double-Quilted Topper becomes void in instances of negligent, improper, or unreasonable use such as:

- Bending, folding, ironing, or cutting the topper
- Exposing the topper to damaging cleaning products
- Storing the topper in direct sunlight or exposing it to moisture
- Cleaning the topper in a way that does not follow provided instructions
- Placing the topper too close to a heat source
- Other negligent, improper, or unreasonable actions that damage your topper

Repair or replacement of the topper extends, but does not restart, the warranty period.
