Sleek, award-winning design is morticed into the door to create a cleaner line and make installation easy.

AUTOMATIC DEADBOLT

You leave, it locks. One or two 21mm steel deadbolts trigger every time the door is closed.

KEYED-ALIKE REGISTERED KEYS

One key opens all locks; online key registration keeps you in control and simplifies ordering extra keys.

6 FINISHES AVAILABLE

Lock finishes are colour matched to Heritage Brass door furniture range.

10 YEAR WARRANTY

Our British-made locks are built to last so we guarantee them for 10 years regardless of who fits them.

WHAT OUR CUSTOMERS SAY

I'm in and out 10 times a day doing school runs & activities with the kids. I've never locked up properly but had nagging doubts about it. That worry disappeared when we got a Finfort Door Set. I still leave in a rush but now I know the door is securely locked just by closing it. My home is safe while I'm away with no effort on my part. I love it!
